

*Elevating organizations to peak performance through  
conflict management, diversity awareness and teambuilding*

S E R V I C E S

## TRAINING

Our suite of training solutions can be customized to meet your specific needs. Options include one-day workshops to week-long programs. We offer train-the-trainer models and various intellectual capital ownership solutions.

- **Conflict Management**
- **Diversity Awareness**
- **Teambuilding**

See our Workshop Topics list or website ([www.ksopic.ca](http://www.ksopic.ca)) for more information.

## CONSULTING

Our expertise in consulting ensures that the best solution is delivered to your organization. Ranging from short-term projects to ongoing initiatives, Kaleidoscopic's consulting services include:

- **Diversity Initiatives**
- **Policy & Procedure Manuals**
- **Performance Management Solutions**
- **Leadership Development**

## FACILITATION

From resolving workplace disputes to soliciting input from staff or stakeholders, Kaleidoscopic can recommend and execute an appropriate facilitation method to meet your needs. Facilitation is best suited to support:

- **Business Planning / Visioning**
- **Conflict Resolution**
- **Focus Groups**
- **Group Problem-Solving**

**Specific requirements can be discussed during your complimentary consultation.**
